On August 2nd the District Deputy meeting kicked off at our hall. District Deputy Robert Schultz discussed the need of camaraderie among our members and fellowship. Other speakers provided information on the COR program and recruiting. Our council is in the process of choosing a date to start COR within our Parish. Stay tuned for more information concerning COR.

The fundraising committee met in August to discuss the council’s options for fundraising activities that will bring much needed income into our council to support our financial needs and charities. Ideas slated at the committee meeting are in the works to help with this endeavor. Please remember your support is needed to make the committee’s ideas a reality.

The council’s audit was completed in record time thanks to Ruffin Duet, Mike Boriskie, Dan O’Rourke and the Trustees for making this happen.

The council decided in the August meeting to keep our 3rd degree membership meeting on Wednesday’s. The 3rd degree Officer’s meeting day, date, and place will be announced.
